Sara Hasan joins Bridge City Capital

LAKE OSWEGO, August 4, 2020 – Bridge City Capital, LLC today announced that Sara E. Hasan, CFA has joined its investment team as a Research Analyst.

Hasan joins Bridge City with over 15 years of experience, including equity research roles on both the buy- and sell-side. Sara led coverage of financials and consumer lifestyle companies at McAdams Wright Ragen/Robert W. Baird & Co. and was a valuable contributor to McAdams Wright Ragen's award-winning *Value Focus List*. She has also held roles at Starbucks and Weyerhaeuser, most recently in investor relations. Sara started her career at the State of Wisconsin Investment Board. Active in the community, she has served on the boards of Seattle-based non-profit organizations Program for Early Parent Support (PEPS) and Invest in Youth.

"Sara is a terrific addition and this is an exciting time for Bridge City as we expand our investment team," said Alex Woodward, Bridge City's President. "With her breadth of investment experience, Sara will bring valuable insight and a strong focus on performance to Bridge City."

Hasan said, "It's an honor to join Bridge City's team of talented professionals. Bridge City's unwavering commitment to performance on behalf of its clients and its investment process that focuses on quality companies with proven track records, strong financial characteristics and above average growth prospects at attractive valuations are well-aligned with my own approach. I look forward to participating in Bridge City's collaborative approach that supports its efforts to deliver value for clients."
